Q. Pricing structure on page #6, does this amount represent total pricing per trailer of mixed materials (electronics & Lamps/Batteries)?

A. NO. We do not want a price per load, but a price per material / item.

Q. Is there an itemized Pricing list for completion?

A. No. Please provide a detailed, itemized list of pricing, by type and size and any other pertinent parameter, for all acceptable materials, including bulbs, ballasts, and electronics. Please also include any other items and / or materials which the vendor is qualified to handle.
